

THE CONNECTION

Powering India Growth's

Welcome to Varsha Cable Industries

Incepted in the year 2008, at Mumbai, (Maharashtra, India), we “Varsha Cab” are a Sole Proprietorship Firm, known as the reputed manufacturer, trader and wholesaler of a premium quality range of Ribbon Wire, Flexible Wire, Camera Cable, etc. Under the management of our mentor “Atul Vora (Proprietor)”, we have achieved the remarkable position in the industry.

Our single-minded focus is to adopt an innovative approach to create products that pass the test of time. Driven by the passion for providing outstanding products, we have ensured that each of our cables and wires runs longer and more efficiently. That’s why we are best brand of wires and cable in India.

Why Us?

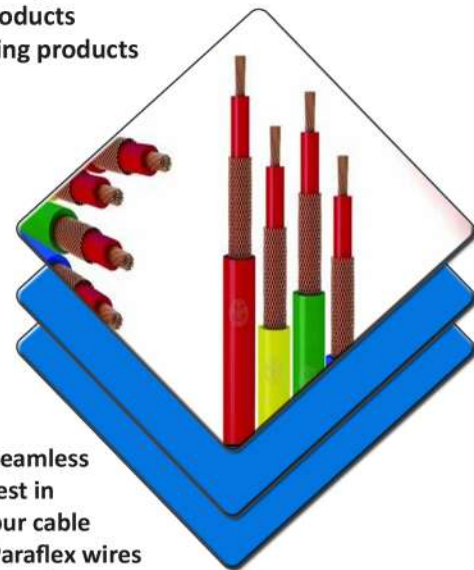

Varsha cables Industries aims at becoming a distinguished model of reference for their quality and diverse range of wires and cables. We aim to establish a strong national presence and an explicit global footprint while maintaining our leadership, quality, and supremacy. Our team is focused on creating products that match global standards, and so we are always committed to creating products that guarantee a superior customer experience

We envision incorporating the best technology to create wires and cables while adhering to the highest quality standard. Varsha Cable Industries will always be focused on incorporating the best technology to create top-notch products that will ensure a strong hold in the Indian market while creating bench marking products for the international contemporaries. As a team we must strive to be the most trusted, reliable, and technically advanced manufacturer & supplier of the wide range of wire, cable.

Varsha Cable wires and cables are synonymous with superior quality and seamless performance. We adhere to stringent quality practices and extensively invest in technology that demonstrates our commitment to continuously invest in our cable manufacturing capabilities, thus helping us become a trustworthy name. Paraflex wires and cables are manufactured per the Indian Standard, thus making them suitable to work for the Indian commercial and residential electrical environment. Our state of the art laboratory is managed by BIS certified engineers that help make our products unparalleled.

Flexible Wire

We are widely acknowledged as one of the eminent Manufacturers of Flexible Wires, 3 Core Wire 14/36, 3 Core Wire 16/36, 3 Core Wire 40/38, 3 Core Wire 23/36, Twin Flat Wire, PVC Insulated Twin Flat Wire, Parallel Twin Flat Wire, Twin Twisted House Wires, 3 Core Wire 40/36, Test Prode Wire (23/40) in the Indian as well overseas market.

- 100% pure copper wire
- PVC material
- Flexible wire

Electrical Wire

Single Core

(0.75 Sqm, 1 Sq m, 1.5 Sq mm, 2.5 Sq mm)

100% pure copper wire

Additional Information:

- Production Capacity: 5000mtr per day
- Delivery Time: 5 days
- Packaging Details: 100 yrd Length Coil wrapped with discription sticker on it.

Shielded Wire

We are widely acknowledged as one of the eminent Manufacturers of Shielded Wire, 2 Core Round Shielded Wire 7/38 (O.D-4.1), 2 Core Shielded Wire 7/38 (O.D-3.2-6.5), Single Core Shielded Wire 7/38(O.D-3.1), 3 Core Round Shielded Wire 7/38 3 Core T.P (Three Parallel Wire) 7/38 (OD-3.3-10) etc...

- 100% pure copper wire
- PVC material
- Flexible wire

2 Core Shielded Wire 7/38

3 Core Round Shielded Wire 7/38

Wire And Cables

T.F (Twin Flat) Wire 14/40

100% pure copper wire

Features:

- We are widely acknowledged as one of the eminent Manufacturers of Flexible Wires in the Indian as well overseas market.
- Standard 38 AWG solid flexible wire
- Our PVC Insulated Flexible Wires are designed to meet the various applications of the Industry.
- 100% pure tin-copper wire
- Available colours: black white

Additional Information:

- Item Code: FW-2
- Pay Mode Terms: T/T (Bank Transfer)
- Delivery Time: 2 DAYS

CCTV Camera Cable

We are widely acknowledged as one of the eminent Manufacturers of CCTV Camera Cable, Cloth Wire (23/40), CCTV Camera Wire 4 Plus 1 (O.D-6.1) etc...

CCTV Camera Wire 4 Plus 1 (O.D-6.1)

Cloth Wire (23/40)

Coaxial Wire

R.G 6 Wire Copper 1/22
(Bradding-112/42) (O.D-6MM)

2 Core Coaxial Wire 7/38
(Bradding-24/42) (O.D - 6.12)

Being a well-renowned entity, we are engaged in providing a distinguished range of Twin Coaxial Wire. 100% pure copper wire

Additional Information:

- Item Code: CAW-1
- Pay Mode Terms: T/T (Bank Transfer)
- 100% pure tin-copper wire
- Production Capacity: 5000mtr per day

By leveraging upon our extensive market knowledge, we provide the best array of Coaxial Wire.
